EASTER SUNDAY OF THE RESURRECTION OF THE LORD – 31ST MARCH 2024

“With the ancient liturgical Easter Sequence, in these days we repeat: “Christ, my hope, is risen!”. And in Him, we too have risen, passing from death to life, from the slavery of sin to the freedom of love. Thus, let us allow ourselves to be touched by the consoling message of Easter and embraced by its glorious light, which dispels the darkness of fear and sorrow. The Risen Jesus walks beside us. He reveals himself to those who invoke him and love him. First in prayer, but also in the simple joys lived with faith and gratitude. We can also feel him present in moments of sharing warmth, welcome, friendship, and the contemplation of nature. May this day of celebration, in which it is customary to enjoy some leisure and gratuitousness, help us to experience Jesus’ presence. Let us ask the Virgin Mary that our hands may be filled with the gifts of the peace and serenity of the Risen One, so as to share them with our brothers and sisters, especially those who have greater need of comfort and hope.” (Pope Francis, Regina Caeli, 2019) Full text available at: [Regina Caeli, Easter Monday 2019](#)
