THE EPIPHANY OF THE LORD – 7TH JANUARY 2024

“Today, we celebrate the Solemnity of the Epiphany, that is, the manifestation of the Lord to all peoples: in fact, the salvation wrought by Christ knows no boundaries; it is for everyone. The Epiphany is not an additional mystery, it is still the same mystery as the Nativity, viewed, however, from the dimension of light: the light that illumines every man and woman, the light to be *welcomed* in faith and the light to be *brought to others* in charity, through witness, in the proclamation of the Gospel. Where is this light? The Evangelist Matthew, in his turn, recounting the episode of the Magi (cf. 2:1-12), shows that this light is the Babe of Bethlehem; it is Jesus, even if his kingship was not accepted by everyone. Rather some rejected it, like Herod. He is the star who appeared on the horizon, the awaited Messiah, the One through whom God would establish his kingdom of love, his kingdom of justice, his kingdom of peace. He was born not only for some, but for all men and women, for all peoples. The light is for all peoples, salvation is for all peoples. Let us invoke the protection of Mary over the universal Church, so that the Gospel of Christ, the light of all peoples, the light of all communities, may spread throughout the entire world.” (Pope Francis, Angelus, 6th Jan 2021).
