Funding Our Cathedral

Week 2 of 3

Financial Overview and a Message from the Dean

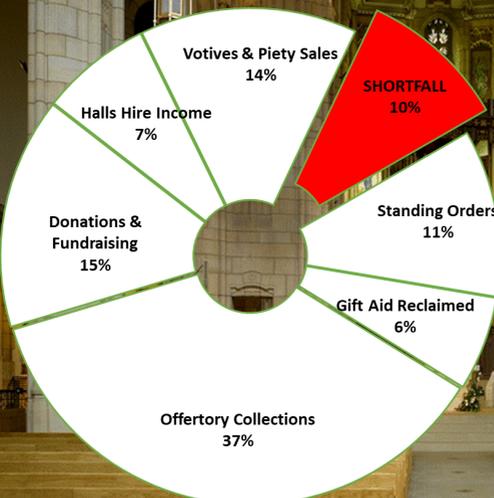

OUR PARISH EXPENDITURE

Our running costs average £5,600 a week. Our income averages £5,100 a week.

We need to raise an extra £1,000 a week to cover that shortfall and to provide for future repair bills.

OUR PARISH INCOME

Would you be able to increase your giving or become a regular donor?

A Message from the Dean....

Our Cathedral is a treasure. It is a place of beauty dedicated to the greater glory of God. It is also our home. It is where we gather to worship God, proclaim Christ's Gospel and sustain each other in Faith, in good times and bad. For almost 120 years it has been the symbol and reality of the Church's presence in the centre of Leeds.

The Cathedral is our inheritance, made possible by the care and support given to it by all those who have gone before us. Today, in turn, it is our responsibility to care for and support the Cathedral as best we can, not least so that we can hand on this great treasure to future generations.

To fulfil that responsibility we need the resources to enable us to support the Cathedral: to pay for its upkeep on a weekly basis and to meet the needs of maintenance and repair that inevitably arise.

At the moment our financial resources are insufficient to enable us to do all of this effectively. This is why I am asking you to reflect on the message of our current three-week programme of information sharing and appeal. When you have done so, please give careful thought to how you might support the Cathedral financially so that we can live up to our responsibilities, honour our forebears and ensure a legacy that will be treasured long into the future.

Thank you for your continued support of the Cathedral and its mission of proclaiming the Gospel of Christ.

The Very Rev Canon Matthew Habron
