

The Quality of... Sorry

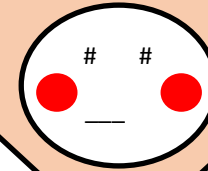

How would Jesus want us to say SORRY?

I'm sorry
BUT.....

I'm sorry you
didn't like
what I said

I'm sorry
because I was
really hurt by
all this

SORRY!!

I'm sorry, I
know this
is the tenth
time I've
done this

I'm sorry, I
will pay my
fair share in
future

I'm sorry; if you
hadn't done
what you did...

I said I'm
sorry so
why bring
it up again

I'm sorry, I know
I hurt you; it is
my fault and I
want to make it
better and not
hurt you again

I'm sorry,
lets just
forget
about it

I'm sorry, I
thought you
would be
angry

I'm sorry,
can I do the
smaller
punishment

I'm sorry, I
have to do
this and I
know you
don't like it
