

Don't argue with me

I don't want to

Get that LOOK off your face

GO to bed!

I've had enough

Just LET GO!

Are you lying to me?

STOP!!

Have you done what I asked?

Tidy your bedroom, NOW

I always get blamed in this house

You need to LISTEN

AARRRGH

What did you just say?

Get off ME!

I didn't take it!

STOP the defiance

Don't shout at me

I don't know where it is

Why does she get to do that and not me

Dad, he called me a name

Mum, She pulled my hair!

That's not fair

Don't answer back!

Think before You speak

It's not MY fault

Get off my things

But it's my turn

Does this sound familiar?
